

HELPING YOUR KIDS AT HOME WITH MATHS

A PRACTICAL, HANDS-ON WORKSHOP FOR PARENTS

On **Wednesday, 22 March** (Week 9) we will be hosting a mathematics information session for parents. The session will be 6:00pm – 7:00pm in the school library.

Our guest host will be Anita Chin, who has recently worked at the school with students and staff.

Anita is a leading Australian expert in primary mathematics education. She works with schools across Australia to transform teachers into confident, inspired mathematics educators. She does this by delivering a deep, whole-school understanding of the mathematics curriculum, along with innovative, enlightening teaching techniques that inspire and delight.

Anita is a very engaging presenter and regularly runs workshops with parents.

In the session with parents Anita will cover:

- Tips for helping your child with maths
- Teaching 'times tables' – multiplication facts
