### DATES TO REMEMBER

Mon 18 July	Staff Development Day
Tues 19 July	First day of Term 3—Students return to school
Tues 19 July— Fri 22 July	Naidoc Week
Thurs 21 July	Kindergarten 2023 School Tour & Classroom Experience
Tues 26 July	Athletics Carnival (Yr 3-6)
Wed 27 July	Maths Olympiad: Session 3
Thurs 28 July	2023 OC Placement Test
Fri 5 August	Second Hand Uniform Shop
Mon 8 Aug	UNSW ICAS Writing
Wed 10 Aug	Book stall and Mufti Day
Wed 10 Aug	UNSW ICAS Digital Technologies
Wed 10 Aug	NNPS P&C Meeting
Mon 15 Aug	UNSW ICAS English
Wed 17 Aug	Zone Athletics Carnival
Wed 24 Aug	UNSW ICAS Spelling
Thurs 25 Aug	UNSW ICAS Science
Mon 29 Aug	School Photo Day

### PITTWATER ZONE PSSA TERM 3, WEEK 1 22ND JULY

Netball  
Football  
Rugby League  
AFL

**BYE**

Week 10, Term 2 we made it!

Term 2 has been an extremely busy time for all of us at NNPS. Students have been on camp, reports have been written and sent out, PSSA winter sports went ahead, with the weather causing some disruption along the way.

Our Parents and Citizen meeting was back on site for the first time in nearly two years and 22 people attended. This was a great opportunity to share with those present the school goal and some background on the work going into strengthening our commitment to Aboriginal Education. The next meeting on 10 August, will be a presentation on the Narrabeen Elanora Students and Teachers (NEST) collaboration. I encourage you come along and hear about the exciting projects that have commenced and the opportunities this initiative presents.

Wonderful to see so many families at the K-2 Cross Country this week! The students were awesome, running and walking the course, entering the finishing tunnel to thundering cheers and applause of support! Well done everyone.

Our school is committed to cultivating an inclusive, engaging and connected community where wellbeing comes first, promoting a sense of belonging for everyone to achieve their personal best. There are many elements that need to come together to achieve this goal. One very important key ingredient is our school uniform. Wearing the correct uniform gives us all a sense of belonging and accountability to our peers and community. Wearing our uniform positions us for learning and signals that *'I am ready to achieve my personal best'*. A reminder that Term 3 is full winter school uniform for all students. This includes full black shoes.

A follow up survey on school communication will be distributed early in Term 3 via your class parent. Please keep an eye out for this. The survey is an opportunity to have a voice on how we can improve our school communications and understand which platforms work best for reaching our entire school community.

Have a great term break and stay safe.

Regards,

**Adam Hughes**  
Principal

## From the Deputy Principal's Desk...

And just like that, the holidays are here! It has been a strong and positive semester at NNPS with lots of whole school growth and improvement. A few things that I need you to know:

### LOST PROPERTY

This has been a daily challenge as we are faced with mountains of student belongings being left around the school grounds. I ask that you please take a moment in these holidays to ensure that your child's name and current class is clearly labelled on their hat and school jumpers. This is so important as it helps the leaders return items promptly. From Term 3, lost property will return to its previous location in the music block. The leaders will still be there at times; however, the building will be open each morning before school should you wish to pop in.

### CYBER-SAFETY

More and more students, at an increasingly young age, are using digital devices. This does make it so important that their significant adults, at school and home, work together to make sure that we are aware of how they are using these devices, what they are accessing and when. This semester we have had to support Stage 3 students in the wellbeing space, particularly as they communicate with one another, and others, online out of school hours. Some of these communications are brazen and inappropriate and create complexities that impact on their social confidence. The Department of Education has resources to support parents in this realm, see this link:

<https://education.nsw.gov.au/parents-and-carers/wellbeing/technology/cyber-safety>

In addition, the eSafety Commissioner (eSafety) is Australia's independent regulator for online safety. This is the world's first government agency dedicated to keeping people safer online. The resources available here are plentiful, for parents and kids, and everything is really relevant and easy to understand and learn from. I encourage you to take a look and use these resources to build your awareness and knowledge of the digital world our young people spend so much of their time in:

<https://www.esafety.gov.au/parents>

**Maria Kortekaas**  
Deputy Principal

## ***From the desk of Miss Dickson...***

### **BEE WELL - PBL**

#### **(POSITIVE BEHAVIOUR FOR LEARNING)**

The value we were focusing on for the month of June was achievement.

The value we are focusing on for the month of July is respect.

Can you believe that Semester One is done! Time surely flies when you are having fun!

What a busy couple of weeks we have enjoyed with many students achieving across classrooms and representing NNPS at a range of sporting and performing arts events. There have been carnivals, trials, dance performances, spelling bees, debating and maths competitions. Check out the rest of this column and the rest of the newsletter for updates.

Well done to everyone for their efforts!

Our school motto is '***I Aspire, I Achieve***'.

Beyond our school grounds and present community, I have had great joy this week, whilst sneaking in a little television, to see past students of NNPS continuing to live by this motto and our school values. Past student Judith Carroll always excelled when participating in our gym program and so it gave me great joy to see her this week in episode 1 of Australian Ninja Warrior where she used her rock climbing skills to cross the Anaconda. Her controlled approach made her the first woman in the world to do so. It was equally wonderful to see professional surfer Cooper Chapman being interviewed on Studio Ten. Cooper spoke eloquently of the importance of living by values, gratitude and ways for us all to look after our mental health. Both young people are outstanding role models of aspiring and achieving their goals.

Back to our present students, who have also been following our motto and NARRA Values. The winning house based on points collected in classrooms and on the playground for Semester One is:

**MAVER**

### **PSSA**

Exciting news is that our new rugby league jerseys have now arrived and the teams will be looking great for the continuation of the season in Term 3.

Please note NNPS has a bye for Term 3, Week 1.

Here are our current team standings based on Term 2 results:

AFL Juniors = 1st place  
Seniors = 3rd place

Soccer (Boys) Juniors = 3rd place  
Seniors = 5th place

Soccer (girls) Juniors = 9th place  
Seniors = 7th place

Rugby League Juniors = 7th place  
Seniors = 1st place

Netball Juniors (A) = 5th place  
Juniors (B) = 4th place  
Seniors (A) = 8th place  
Seniors (B) = 7th place

### **ZONE TRIAL RESULTS**

Congratulations to Mitch P who was successful in being selected for the Sydney North rugby union team and to Bodhi S who was successful in selection for the Sydney North softball team. We wish you both the best of luck.

### **SYDNEY NORTH CROSS COUNTRY RESULTS**

Well done to all our students who were part of the Pittwater Zone team at the Sydney North Cross Country. A special congratulations, to Chloe S who finished 6th and now moves on to compete at the State NSW Cross Country on Friday, 22 July.

### **INTERSCHOOL SKIING COMPETITION**

We wish Lily B of Year 6 the best of luck next week when she competes in the Interschool Snow Competition as an individual. Lily has a big program ahead and will be a great ambassador for NNPS.

### K-2 CROSS COUNTRY

The weather gods were on our side as we cheered on our K-2 competitors on Wednesday. It was fabulous to see so many parents joining us and supporting the students. A big thank you to Mrs Thoroughgood and Mrs Hendricks for organising the carnival and Mr Cook for assisting with the setup. Our House Captain School Leaders were also instrumental in the success of the carnival. They showed the way running with each grade and encouraging their younger peers to cross that finish line. I was so proud of the way they conducted themselves and the skills they displayed.

Results are at the back of the school newsletter.

### NNPS ATHLETICS CARNIVAL

It's time to get running, jumping and pushing because on Tuesday, 26 July (Term 3, Week 2) we are having the annual NNPS Athletics Carnival. The carnival is being held at Sydney Academy of Sport, Narrabeen. Permission notes were sent out last week and should have been returned by the end of term. All pre-entries for field events were required this week. No late entries can be accepted.

A couple of reminders:

- Year 2 students turning 8 in 2022 can attend the carnival but may only enter track events.
- If entering the 1500m students need to be transported by parents to the Sydney Academy of Sport by 8.00am.
- If competing in Junior Girls Long Jump and Junior Boys Long Jump (Juniors are students turning 8, 9 or 10 years of age this year) students need to be at the academy by 8:15am. Parents will need to organise private transportation for these children.

With the school holidays here, it's the perfect time to start training for the big event.

### K-2 CLASS DANCE DISPLAYS

All K-2 students loved showcasing their skills to family members at their dance lessons this week. Thank you to everyone who attended for providing such a supportive and enthusiastic audience for our young happy feet. The positive feedback was greatly appreciated.

## UNIFORM

Sadly, in recent weeks teachers have noticed a growing number of students not wearing the correct school uniform. Please use these school holidays to refresh your child(ren)'s uniform.

Students who earn a Pittwater Zone hoodie/jacket are able to wear this for two weeks after the event, then they are required to wear the NNPS school jumper or jacket, especially when representing the school.

A reminder that no hat = shade play and if they do not have a hat, they will be instructed to play in a designated shady spot in the playground. Please remind your child to bring their hat to school. It helps if all clothing is labelled with your child's name and current class.

On a positive note our new long sports socks for AFL, rugby league and soccer have now arrived and will be available for sale via the uniform shop next term.

Have a well-deserved, relaxing and safe holiday break.

We look forward to seeing you when school returns.

**Carpe diem**

**Miss Dickson**

**Assistant Principal (Operations)**

## NARRA BEE CLASSROOM VISITS

As part of our Positive Behaviour Engaging Learners (PBL) framework, the Narra Bee has been visiting K-2 classrooms to deliver important messages focusing on building the resilience of our students. The Narra Bee has been busily introducing the new 'No, Go, Help' posters which align K-2 student understanding with the 3-6 student model, therefore establishing a whole-school positive, safe and supportive toolkit for all students.

Thank you, Miss Oswald and Mrs Hendriks from our Learning and Support Team, for designing the new posters.

**Karen Reid**

**R/Deputy Principal K-2**

## PITTWATER ZONE PSSA

To access the Pittwater PSSA draw, venue information, including field maps and wet weather updates, please visit :

<https://pittwaterpssa.teamapp.com>

The **Stack Team App** is also available for all your hand held devices through the App Store or Google Play.

## SPELLING SPACE

We are very pleased to announce that all spelling resources for Years 3-6 classes are now complete and in classrooms being regularly used. This would not have been achieved without the continual support from parents volunteering their time to assist. Thank you once again for the time you gave our school; these resources are providing students access to the support and extension that has already shown growth within their results this semester.

It has been positive hearing discussions within our community around the new implementation of spelling at NNPS. To further support these discussions, engagement and understanding we would like to offer two parent information sessions at the beginning of Term 3.

### Spelling Parent Information Session 1:

Wednesday, 3 August, 2022  
3:10pm-4:00pm\*

### Spelling Parent Information Session 2:

Thursday, 11 August, 2022  
6:00pm-6:45pm

Please note, both sessions will deliver the same content; varied time to cater for afternoon/evening events.

\*Supervision of students will be provided for this session.

Please indicate using the link below, your interest in attending this session:

<https://forms.gle/YhwVnMAJc8dH1XJ66>

**Alexis Shepherd, Lily Brown, Pierre De Villiers**

## PREMIER'S SPELLING BEE

Congratulations to all our Premier's Spelling Bee participants who took part in the School Finals held on Monday, 27 June. Our Stage 2 and 3 students displayed confidence and perseverance when presented with challenging and unfamiliar words. The participants demonstrated a spirit of comradery during the competition by congratulating their peers on their achievements. Our Stage 2 and 3 student audience were respectful throughout the competition with exemplary behaviour. It was lovely to once again host the Spelling Bee at NNPS and be able to extend the invitation to families.

A recognition of our class finalists:

Hope M	3C	Levi S	5E
Flynn C	3C	Kai B	5H
Sonny T	3D	Morgan L	5JM
Ethan B	3D	Leon W	5JM
Evie S	3E	Jack B	5S
Samara H	3E	Luca M	5S
Poppy B	3L	Owen C	6B
Easton S	3L	Issy M	6B
Jasper K	4B	Elly I	6C
Skye M	4B	Jack S	6C
Sadie J	4D	Kai T	6H
Hunter S	4D	Charlotte B	6H
Isabelle F	4H	Elena Ad	6S
Oscar R	4H	Matteo C	6S
Fleur M	4N		
Elise F	4N		

A special mention to NNPS Finalists who will progress on to the Premier's Spelling Bee Regionals - **Fleur M and Kai B.**

**Pierre De Villiers**

## STUDENT LEADERSHIP

### ABORIGINAL EDUCATION

This year NNPS are celebrating NAIDOC week in Week 1 of Term 3. The Aboriginal Education team have been planning and preparing ways for our staff and students to learn more about aboriginal heritage and culture. Lessons will take place in classrooms and the whole school will participate in a creative activity which honours indigenous Australians. In support of the Indigenous Literacy Foundation, we will be running a second-hand book stall. Any unwanted books, in good condition, can be brought to school throughout Week 1 and 2 of Term 3.

Then in Week 4, on Wednesday, 10 August, we will have a book stall and sell the books for 1 dollar each! So make sure to bring some money.

As well as a book stall, on that day we are holding a mufti day - make sure to wear something blue. Blue is the colour of the Indigenous Literacy Foundation. All of the money we raise will go to ILF.

**Ruby G and Elly I**

### ENVIRONMENT

Hi everyone, I'm Isabella, the Environmental Leader and I'd like to remind everyone to pick up their rubbish or take it home with them. Our school has been littered with rubbish because of the winds blowing around and we really need to be picking all of our garbage up quickly. This would be really helpful. Please remember to put all of your lunch rubbish back in your box to take back home.

Waste-free Wednesdays will continue next term. Each class keeps a record of their success and the leaders come to visit. Once a class achieves 5 Waste-free Wednesdays, they gain a special privilege, which is agreed with their teacher.

*Isabella Field*

## DIGITAL LITERACY INITIATIVE

We are looking forward to what Term 3 will bring. We are excited that we are getting closer to having one device for every child at school.

One of our digital literacy team excursions for next term will be to look at other school's set ups and the way their devices are being used.

We are then looking forward to coming back with brand new ideas to help refurbish our own computer lab to create more opportunities for other students.

We can't wait to share all the ideas and plans we have for our school with you all!

**Sybilla, Lacey and Allie**

Digital Literacy Initiative Members

### LOST PROPERTY

In Term 3, we are moving the lost property room back to the music block. The current leaders will still be running the lost property though. The current lost property leaders are: Loxley, Emily, Ruby, Abi M, Abi W and Elena.

The Lost Property room will be supervised as follows:

#### Morning times:

Tuesday: 8:30am-9:00am

Thursday: 8:30am-9:00am

#### Lunch times:

Monday: 1:00pm-1:30pm

Wednesday: 1:00pm-1:30pm

Friday: 1:00pm-1:30pm

This is a friendly reminder we do not hand out unnamed items to students in need of hats and jumpers etc.

Thank you for everyone's support.

**Ruby and Loxley**

## NNPS P&C News...

### NEW CANTEEN ONLINE ORDERING SYSTEM

From the beginning of Term 3 Flexischools will no longer be available for online canteen orders and using Spriggy will be the only way to place online orders for the canteen.

**Q. Can I still use Flexischools in Term 2?**

**A.** Yes, this is your opportunity to use up the remaining funds you have in your Flexischool account.

**Q. Can I use Spriggy in Term 2 or only from Term 3?**

**A.** Both Flexischool and Spriggy will be operating for Term 2 only.

**Q. Will any credit in my Flexischools account be transferred to my Spriggy account?**

**A.** No. You will need to contact Flexischools direct and request a refund.

**Q. Why are we changing to Spriggy?**

**A.** Spriggy is the system chosen by the P&C for all school uniform sales and any future event ticket sales. For simplicity and streamlining the canteen is being transferred to the same system.

Spriggy Schools

The canteen has partnered with Spriggy Schools for online lunch orders!

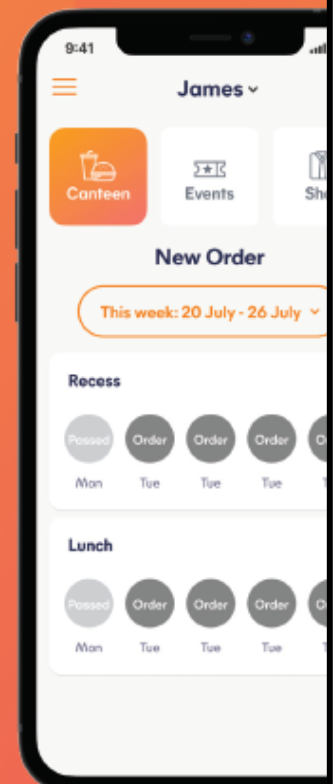

#### Creating your account

- Download the app
- Register your details
- Create a profile for each child

#### Placing your first order

- View the canteen menu on the home screen
- Browse the menu and tap 'Add to Cart' on any item
- Go to cart and tap 'Place Order' to confirm
- You can edit or cancel your order before the cut-off time

Download the app now!

Rivva Pty Ltd (ABN 86 603 542 918) (AFSL 513762) trading as Spriggy Schools ("Spriggy Schools"), based in Sydney, Australia is the issuer of the Schools product. Consider the Terms and Conditions to ensure the product is right for you. Any advice provided is general in nature and does not take into consideration your objectives, financial situation or needs. Before acting on any advice consider whether it is right for you and your circumstances. For Terms and Conditions visit [www.spriggy.schools.com.au](http://www.spriggy.schools.com.au).

### PITTWATER WOMAN OF THE YEAR

We wish to congratulate Sarah Morris (mother of Nirvana and Isabelle) on her recent award of 2022 Pittwater Woman of the Year. At the start of the COVID-19 pandemic, Sarah launched *Acts of Kindness Community Outreach* to help provide food and essential supplies to families in need.

Well done Sarah!

### STUDENT ABSENCES

Please ensure that all student absences are reported to the school using the school app NOT the Sentral Parent Portal.

The Sentral Parent Portal was only to be used for the booking of teacher interviews held earlier this year.

Thank you.

### THE BAND CAKE AND SOCK STALL

What an amazing afternoon we had on Tuesday. Thank you to all of Narrabeen North PS for your beautiful creations and donations. It was the most successful stall we have had so far. A huge thank you to Jay for lending us the canteen, the wonderful musicians, it was a fantastic way to end the term for our band families, thanks to our fantastic helpers and of course the biggest most awesome thank you to Janella the Band Director.

Have a wonderful school holiday everyone.

### From the Bands of Narrabeen North PS

### ETHICS TEACHERS NEEDED

We're looking for some volunteers from our parent community who are interested in supporting the school's ethics program. Ethics classes are an alternative to non-scripture, teaching our kids to think, reason and discuss a range of ethical issues. Classes are designed to create an inclusive learning environment, where students learn to respect other points of view and come to a deeper understanding of their own beliefs.

At Narrabeen North, we have a small program, and are looking to grow the number of classes so that we can offer ethics to all families who request it.

Teaching an ethics class involves facilitating a weekly discussion about a range of topics, including fairness, truth, and intentions. You don't need any teaching experience, as you are provided with fully prepared lesson scripts and training. The time commitment is about 45 minutes per week including a 30 minute class every Wednesday morning and about 10 minutes to read through the script before each lesson.

If helping with our ethics program is a possibility for you or someone you know (maybe a grandparent!), contact our Ethics Coordinator, Dina Cooley at [dina23@tpg.com.au](mailto:dina23@tpg.com.au) or 0415 869 813.

For more information about the ethics program, go to:

[www.primaryethics.com.au](http://www.primaryethics.com.au).

### THANK YOU!

A huge thank you to Jay Rogers and her team who work tirelessly in the school canteen creating an assortment of delicious treats and wholesome lunches for our students to enjoy.

We are so grateful to have such a wonderful team operating our canteen.

Thank you!

### CHESS CLUB

Congratulations to our Chess Club Term 2 winners!

Gold Medal	Lucas F	2SB
Silver Medal	Jackson B	4D
Bronze Medal	Morgan L	5JM

Don't forget Chess starts back Term 3, Week 1: Thursday. 21 July

**Jenine Brown**  
Chess Club Coordinator

## Why Chess?

- Create Brighter Thinkers
- Improve Student Focus
- Achieve Academic Success

Combines learning with fun!

#### Educational Benefits:

- Improves concentration and focus
- Develops logical thinking and problem solving skills
- Enhances memory
- Encourages creative and lateral thinking
- Promotes discipline
- Accelerates emotional development
- Expands visualisation and spatial awareness
- Demonstrates actions and consequences
- Rewards correct decision making
- Increases self-confidence
- Provides opportunities to make new friends from diverse backgrounds

### SENIOR PERFORMANCE DANCE

On Monday night, our Senior Performance Dance group travelled to Glen Street Theatre to showcase their amazing dance **'The Greatest Show'**. We are so proud of the girls and their hard work and dedication. They have been rehearsing each week during their lunch time and have shown a committed approach to the team.

Thank you to parents and carers for coming along to the show and helping out where possible with transport. We hope you all enjoyed 'The Greatest Show!'

**Lily Brown and Pierre De Villiers**  
Senior Dance Coordinators

### YEAR 6 CANBERRA CAMP

On Tuesday, 14 June, before anyone and anything else was awake, Year 6 arrived at school ready to go to Canberra. An hour later we were on our way. The trip was long, but we were all pretty well behaved.

Our first stop was Old Parliament House. We got to see the old outfits and uniforms that people wore. The chairs were still in pretty good condition for being 95 years old! We went out into the Rose Gardens to have some lunch; it was a much needed opportunity to let off some steam!

Our next stop was the view from Mount Ainslie looking over Canberra. Although freezing, it was definitely worth the trip there!

We were all really excited to find out who was in our cabins. We had a very quick chicken schnitzel dinner before heading out to Questacon. It was pretty cool driving up to Questacon at night time when it was all lit up; it reminded us of Vivid. Every level had something fun and engaging; the harmonograph was fascinating to watch. We all had fun choosing something from the shop to bring home.

The teachers seemed to think that we were all sound asleep at 10:30pm but let's be honest, some of us didn't actually sleep that night. We all did our best the next morning to be up, packed and ready for breakfast at 7:30am. Breakfast by far was the best start to the day!

The Australian War Memorial was very interesting, and we felt incredibly grateful as we walked through knowing what these people had done for us. Our last stop was the new Parliament House. We all loved the frozen yoghurt treat whilst looking at the 158,000 piece Lego display of Parliament House! We then had a quick lunch before starting the long drive back home and boy were we all ready to be back in our own beds!

*Lily A and Ella-Jane D*

### YEAR 5 CANBERRA CAMP

The best bit was Questacon. The reason why it's Questacon is because you can do multiple things - you can watch an inside lightning bolt, you can learn scientific facts about animals and body features. Something I really liked was that you can play with a robot.

Something I really hated was the beds. They were harder than a rock. I woke up and my limbs were hurting.

*Jaxon Hansen*

No fun. 2 days of being sad. No sleep. So cold.

The food - eggs more sticky than glue.

A ten dollar submarine, that is worth less than three dollars.

Questacon - a little bit fun.

I like the bacon - it was burnt.

It is less fun than spelling and maths and writing.

Croods 1 and 2 on the bus - it was torture and annoying.

Really positive - I know right?

Just kidding - it was so much fun.

*Alex Dolly*

2	Jessie H	KA	Robb
3	Thea T	KWT	Robb
4	Ava S	KA	Vaughan

## International Competitions and Assessment 2022 (ICAS)

Dear parents,

ICAS Assessments are online assessment opportunities designed to recognise and reward academic excellence. The assessments are based on the curriculum content for the relevant year. Students are asked to demonstrate a deeper, integrated, and thorough level of knowledge. Students are assessed on their ability to apply classroom learning to new contexts, using higher-order thinking and problem-solving skills.

Students in **Years 3-6** are invited to enter the 2022 International Competitions in Science, Spelling, Mathematics, English, Writing and Digital Technologies.

**Year 2** students are also invited to enter in all competitions, except Writing.

**ICAS assessments are online.** They will take place in the computer room; students will need to bring **headphones** and a **pencil** with them.

These assessments incur an entry fee and **are not** run by the NSW Department of Education but by Janison Solutions. Students will compete against other students in Australia, New Zealand, Asia, Africa, Pacific countries and America. The assessments provide an opportunity for students to gain a measure of their own achievement in an external assessment situation.

All students receive a certificate and an individual student report indicating which questions they answered correctly, their total score, as well as their average, compared with the rest of the students in the state.

Dates and cost are as follows:

			Format:	Dates:
<b>Writing</b>	<b>(yrs. 3-6)</b>	<b>\$23.65</b>	<b>Online</b>	<b>Monday 8 August</b>
<b>Digital Technologies</b>	<b>(yrs. 2-6)</b>	<b>\$19.25</b>	<b>Online</b>	<b>Wednesday 10 August</b>
<b>English</b>	<b>(yrs. 2-6)</b>	<b>\$19.25</b>	<b>Online</b>	<b>Monday 15 August</b>
<b>Spelling</b>	<b>(yrs. 2-6)</b>	<b>\$19.25</b>	<b>Online</b>	<b>Wednesday 24 August</b>
<b>Science</b>	<b>(yrs. 2-6)</b>	<b>\$19.25</b>	<b>Online</b>	<b>Thursday 25 August</b>
<b>Mathematics</b>	<b>(yrs. 2-6)</b>	<b>\$19.25</b>	<b>Online</b>	<b>Monday 29 August</b>

To register your child's participation, please visit the **link below** and make a direct payment to UNSW Global using our **unique school code**. Online payment closes on 22 July 2022.

**NNPS school access code is: SMJ247**

**NNPS parent page link is:** <https://shop.icasassessments.com/pages/pps>

Kind regards,

*Sophie Town*

(ICAS Competitions Coordinator)

# FACT SHEET FOR PARENTS, GUARDIANS AND CARERS

## WHAT IS THE NCCD?

The Nationally Consistent Collection of Data on School Students with Disability (NCCD) takes place every year.

The NCCD is a collection that counts:

- the number of school students receiving an adjustment or 'help' due to disability
- the level of adjustment they are receiving to access education on the same basis as other students.

Students are counted in the NCCD if they receive ongoing adjustments at school due to disability. This 'help' allows them to access education on the same basis as a child without disability. The NCCD uses the definition of disability in the [Disability Discrimination Act 1992](#).

Schools provide this information to education authorities.

Go to *What is a reasonable adjustment?* below to learn about adjustments.

## WHY IS THIS DATA BEING COLLECTED?

All schools in Australia must collect information about students with disability.

The NCCD:

- ensures that the information collected is transparent, consistent and reliable
- provides better information that improves understanding of students with disability
- allows parents, guardians, carers, teachers, principals, education authorities and government to better support students with disability.

## Student with disability loading

Funding from the Australian Government for students with disability is based on the NCCD through the student with disability loading.

Students with disability who are counted in the top three levels of the NCCD (extensive, substantial and supplementary) attract the loading. Funding is based on a per-student amount at each of the three levels of additional support. The amount of the loading reflects the level of support students with disability need to participate fully in school, with higher funding for those who need higher levels of support.

Australian Government recurrent school funding is provided as a lump sum to school authorities including state and territory governments, which can then distribute the funding to their member schools according to their own needs-based arrangements.

The Government expects schools and school systems to consider their funding from all sources (ie Australian Government, state and territory and private) and prioritise their spending to meet the educational needs of all of their students, including students with disability.

## WHAT ARE THE BENEFITS OF THE NCCD FOR STUDENTS?

The information collected by the NCCD helps teachers, principals, education authorities and governments to better support students with disability at school.

The NCCD encourages schools to review their learning and support systems and processes. This helps schools to continually improve education outcomes for all students.

## WHAT MUST SCHOOLS DO FOR STUDENTS WITH DISABILITY?

All students have the right to a quality learning experience at school.

Students with disability must be able to take part in education without discrimination and on the same basis as other students. To ensure this, schools must make reasonable adjustments if needed for students with disability. Educators, students, parents, guardians, carers and others (eg health professionals) must work together to ensure that students with disability can take part in education.

The *Disability Discrimination Act 1992* and the *Disability Standards for Education 2005* describe schools' responsibilities.

## WHAT IS A REASONABLE ADJUSTMENT?

An adjustment is an action to help a student with disability take part in education on the same basis as other students.

Adjustments can be made across the whole school (eg ramps into school buildings). They can be in the classroom (eg adapting teaching methods). They can also be for individual student need (eg providing personal care support).

The school assesses the needs of each student with disability. The school provides adjustments in consultation with the student and/or their parents, guardians and carers.

Schools must make reasonable adjustments if needed. The Disability Standards for Education 2005 define 'reasonable adjustment' as an adjustment that balances the interests of all parties affected.

## WHO IS INCLUDED IN THE NCCD?

The definition of disability for the NCCD is based on the broad definition under the *Disability Discrimination Act 1992*.

The following students are examples of those who may be included in the NCCD if they need monitoring and adjustments:

- students with learning difficulties (such as dyslexia)
- students with chronic health conditions (such as epilepsy or diabetes).

## WHO COLLECTS INFORMATION FOR THE NCCD?

Schools identify which students will be counted in the NCCD. They base their decisions on the following:

- adjustments provided for the student (after consultation with the student and/or their parents, guardians and carers)
- the school team's observations and professional judgements
- any medical or other professional diagnoses
- other relevant information.

School principals must ensure that information for the NCCD is accurate.

## WHAT INFORMATION IS COLLECTED?

A student is counted in the NCCD if they receive reasonable adjustments at school due to disability.

Each year, schools collect the following information about the student, including:

- their year of schooling
- the level of adjustment received
- the broad type of disability.

For students who have more than one disability, the school uses professional judgement to choose one category of disability. They choose the category that most affects the student's access to education and for which adjustments are being provided.

A high level summary of the NCCD data is available to all Australian state and territory governments to improve policies and programs for students with disability.

## HOW IS THIS DATA USED?

The NCCD data informs funding and work by schools and sectors. It ensures that support for students with disability becomes routine in the day-to-day practice of schools. The NCCD also supports students in the following ways.

- The NCCD helps schools better understand their legislative obligations and the Disability Standards for Education 2005.
- Schools focus on the individual adjustments that support students with disability. This encourages them to reflect on students' needs and to better support students.
- The NCCD facilitates a collaborative and coordinated approach to supporting students with disability. It also encourages improvements in school documentation.
- The NCCD improves communication about students' needs between schools, parents, guardians, carers and the community.

The Australian Curriculum, Assessment and Reporting Authority (ACARA) annually publishes high-level, non-identifying NCCD data.

## WHEN DOES THE NCCD TAKE PLACE?

The NCCD takes place in August each year.

## IS THE NCCD COMPULSORY?

Yes. All schools must collect and submit information each year for the NCCD. This is detailed in the *Australian Education Regulation 2013*. For more information, ask your school principal or the relevant education authority.

## HOW IS STUDENTS' PRIVACY PROTECTED?

Protecting the privacy and confidentiality of all students is an essential part of the NCCD.

Data is collected within each school. Personal details, such as student names or student identifiers, are not provided to federal education authorities. Learn more about privacy in the [Public information notice](#).

## FURTHER INFORMATION

Contact your school if you have questions about the NCCD. You can also visit the [NCCD Portal](#).

There is also a free [e-learning resource](#) about the *Disability Discrimination Act 1992* and Disability Standards for Education 2005.

This document must be attributed as *Fact sheet for parents, guardians and carers*.

# North Narrabeen OOSH Winter Vacation Care

Vacation Care hours: 7:00am - 6:00pm.

Cost per day: Excursion \$80 and \$70 In Centre / Incursion

Please pack: Hat, water bottle and lots of food (**crunch & sip, morning tea, lunch, afternoon tea**).
