2nd Hand Uniform Shop

The second hand uniform shop opened this month on the 6th May. Total sales \$330

We have moved location and we are now in block P, near the office. We have more room for storage and display of the uniform, much brighter and ventilated room with air conditioning and a private bathroom! We'd like to thank our principal Mr Hughes for sourcing this new room for the second and new uniform shop.

Next open date for the second hand shop is Friday 3rd June
