

NNPS Band Report May 2022

- Band has now moved into the music house, the little red building, we now have an all-weather band rehearsal space, thank you Adam, Maria and Tanya for making this happen
- Band camp is on May 23rd and 24th – 56 children attending out of 60 band members
- Training Band has 25 members, with new members still joining which is wonderful and Performance Band has 35 members
- We have our first NEST combined schools band rehearsal for Performance Band, scheduled for Thursday 5th May after the previous one was postponed due to the weather
- Band T-shirts – I have attached our proposal and final design and would like to get these ordered asap, if it can be agreed on by the exec team
- Northern Beaches Instrument Festival – we have booked for early June to attend the festival with our wonderful Performance Band, date TBC, we attended this festival last year when we all had our crazy socks on to kick off our fund raising, unfortunately that did not get very far with covid restrictions, we will try again this year
- A cake and sock stall will be happening in term 2, I am discussing with Jay as she has offered the canteen space again for the stall after much success last year
